FROM GLENWOOD SPRINGS (Interstate Highway 70):

Drive east (upvalley) on Highway 82 for 24 miles in the direction of Aspen. About 3.5 miles east of Basalt's main intersection/traffic light, turn right at the traffic light onto Snowmass Creek Road. (A Conoco station is located on the SE corner of Highway 82 and Snowmass Creek Road; a large parking lot is on the SW corner.)

FROM ASPEN:

Drive west (downvalley) on Highway 82 in the direction of Basalt and Glenwood Springs. (Do not take the turnoff for Snowmass Village, which is about 6 miles west of Aspen.) Continue west to [Old] Snowmass, which is about 14 miles from downtown Aspen or approximately 12 miles from the Aspen airport. Turn left at the traffic light by the Conoco station onto Snowmass Creek Road. (The Conoco station is on the SE corner of Highway 82 and Snowmass Creek Road.)

ONCE HEADING SOUTH ON SNOWMASS CREEK ROAD:

To RMI's superefficient headquarters building:

Continue up Snowmass Creek Road for 1.739 miles. A yellow "Bus Stop Ahead" sign will be on your right. Continue a few meters further until you see a wood-and-stone sign welcoming you to Rocky Mountain Institute. At that RMI sign, make a sharp hairpin turn to the right and go up a gravel driveway into the parking lot. (If you reach a T-junction approximately 50 meters from the gravel driveway, you've gone too far.) Please park prettily (perpendicular to the fence) on the right-hand side of the parking lot. Please note that it is unsafe and illegal to park on Snowmass Creek Road.

To Windstar Land Conservancy (where three-fourths of Rocky Mountain Institute's staff work):

Continue south on Snowmass Creek Road to a T-junction, approximately 50 meters past the RMI headquarters entrance. (If you are coming out of the headquarters driveway, turn right onto Snowmass Creek Road. If coming from the Highway 82 intersection, it is about 1.8 miles to the T-junction.) Turn left at the T-junction. (You will still be on Snowmass Creek Road nonetheless.) Continue 0.45 mile past a fire station to the third driveway on your right. Turn right into that driveway. (Signs for the Conservancy and RMI, and two large cottonwood trees, mark its entrance.) Continue 0.15 mile through the notch in the ridge, until the road dead-ends into a parking lot. The Windstar building is at the far end. Maps of the land are available in the foyer. RMI Reception is located at the very end of the long hallway; go through the last door on the right.
